Christians Will Go To Church Easter...

IN THE VALLEY OF THE MOON

Well. . . Well. . . Well. . . To Those Who Sorrow, Sunday will be Easter. . . And Everyone should attend the Church of his choice. . .

Although it is largely a Christian observation, Easter has for all men in all nations a universal message of inspiration and courage... Linked as it is to Nature's time of rebirth, the Sunday of the Resurrection takes on a deep and majestic meaning—especially for those who sorrow for one who has gone. . .

Easter tells us all that just as death is the end of birth, so is birth the end of death. . . The small miracle of a baby's smile, the majestic complexity of physical life, the imponderable beauty of human love, all evidence an order, a plan, that can only have for its ultimate a continuation unimaginable in its beauty. . . Tennyson wrote, "God gives us love. Something to love He lends us." Lends us for a mortal time, yes, but gives us for eternity. . .

May the true, deep tender meaning of Easter touch all men. . . May it glow throughout the world, so that all can see "through present wrong the eternal right. . ."

Thank you,
The Publisher
